rFOIL™ Insulation Products

**rFOIL™ - 20 Year Limited Warranty:** Subject to the Disclaimers and Limitations, Covertech Fabricating, Inc. ("COVERTECH") warrants its rFOIL™ Insulation products against defects in material and workmanship for up to 20 years from the date of original purchase. COVERTECH's obligation is limited to a refund of the cost of the defective rFOIL™, or replacement of the defective product, based on Covertech's discretion. COVERTECH's obligation is limited to a refund of the original cost of the defective rFOIL™ Insulation product. Written proof of purchase, purchase date, and possession of original product labels by the claimant is a condition precedent to any warranty coverage. This Limited Warranty does not include or cover, and specifically excludes, any costs, damages or expenses associated with the repair or replacement of the defective product, or damage to or loss of use of any product, building component, property or profit. Other limitations and exclusions apply as noted below.

**DISCLAIMERS AND LIMITATIONS**
This Limited Warranty is not an insurance policy. Check your local building/zoning codes, or consult a qualified local specialist, for proper product selection and compliance prior to installation. COVERTECH shall not be liable for any product failures caused in whole or in part by any of the following:
- If the product has not been installed, used or maintained in accordance with COVERTECH's written instructions and limitations.
- Natural disasters, including but not limited to floods, lightning, hail, earthquakes, gales, hurricanes, excessive high winds, etc.
- Use of the product where it is exposed to the outdoors (open sided buildings), unless approved in writing by COVERTECH.
- Use in any building or facility where potential release of chemicals, gasses, or other variables, including those not specifically listed herein, can adversely affect and attack any type of interior polymer facing.
- Exposure to chemicals, fumes, excessive temperatures or mechanical abrasion that damages or degrades the product.
- Structural movement, settlement, deflection, failure or movement of any supporting material or system.
- Ordinary wear and tear, or any acts of improper use, negligence, abuse, misuse or vandalism.
- Condensation or moisture through or around roofs, walls, equipment, building components or underlying materials.
- Traffic and/or storage of materials on the COVERTECH product.
- Lack of proper or adequate design, engineering or construction of the building or building system.
